

Magpie

by: Amira Turner

*Special thanks to:
Kate Ambrose ♥

mag·pie

\ˈmag-pī\ noun [Mag (nickname for Margaret)
+ PIE entry 2] (1598)

3: one who collects indiscriminately

the first person to
call me a magpie was
my freshman roommate Katie.
she had immediately picked
up on my inherent need
to collect everything I come
across. I hoard everything
I find, hoping I can put
together a piece of myself.

altoid wallet

museum film cels

given to me at
a zine fair in
Bushwick (thank you
if you're at there)

micheal Cera

Stolen from a
fraternity

Stickers

free from local
businesses!
the origin of my magpie
tendencies

Prayer Card

(1988, Chicago)
found in my library's
copy of Kim Gordon's
memoir.
